

Model 71 Spiral Staircase with Curved Panels

COMPLETE
STAIR
SYSTEMS

A bespoke spiral staircase for domestic applications. Custom made with a choice of treads, handrail options and a selection of steelwork finishes to choose from. Each model is unique and drawn specifically for the individual project with headroom clearance, entry and exit points checked prior to production. The product is suitable as a main staircase or a secondary spiral within a dwelling and can accommodate matching landing balustrade around the opening. This spiral staircase is also supplied with horizontal rails or vertical steel spindles – please request the separate product sheet.
