

# GENIUS 070 Spiral Staircase

COMPLETE  
**STAIR**  
SYSTEMS

The latest addition to the popular Genius range arrives in the form of the Genius 070 – with timber spindles. A touch more traditional in style than the previous Genius spirals with the option of the entire flight in timber. Beech and ash are the options for the timber with a wide range of stains available which are applied in the factory. The timber can be left untreated for on-site finishing if desired.
